Rubric Presentation

Criteria	Insufficient: fails to meet academic requirements	Satisfactory: meets academic requirements	Excellent: belongs to the top 10%*
Content	Content: Insufficient	Content: Satisfactory	Content: Excellent
Scientific content	Relevance unclear Research question absent, unclear or lacks focus Inadequate description of methods Poor explanation of results/tables/figures Discussion lacks essential issues Inadequate answers to raised questions Inadequate response to critique Tables/figures contain too much or too little details References for claims/ illustrations are missing	Relevance is clear Research question clear and focussed Clear description of methods Good explanation of results/tables/figures Valid discussion Can answer most of the questions raised Adequate response to critique Tables/figures require explanation Some claims/ illustrations are not reference	Excellent mastery of subject Highlights selected Choices of methods are justified Clear concise explanation of results/tables/figures Critical in depth discussion Correct answers to questions raised Can value critique/suggestions Informative tables/figures Key claims and illustrations are referenced
Presentation technique	Presentation: Insufficient	Presentation: Satisfactory	Presentation: Excellent
Nonverbal skills	Limited eye contact with audience Body language is annoying/distracting Incapable of continuing adequately after an error	Regular eye contact with the audience Body language is adequate Errors have only little impact on the presenter	Captures the audience Body language is constructive / effective Continues in an adequate manner after errors
Speaking skills	Speaks either too fast or too slow Insufficient English Loses attention of the audience Too difficult/easy for audience	Acceptable pace Reasonable proficiency in English Gets attention of the audience Compatible with audience	Good pace Fluent in English Maintains constant attention of the audience
Composition and design	Composition and design: Insufficient	Composition and design: Satisfactory	Composition and design: Excellent
Length of presentation	Too long/too short (+/- 25%)	Adequate time schedule (+/- 10%)	
Visuals of presentation	<ul style="list-style-type: none"> Too much info/detail on a single slide Inadequate slide quality (technical, compositional) 	Appropriate	<ul style="list-style-type: none"> Slides conveniently arranged Very clear message per slide
Grammar / spelling	Distracting grammar / spelling errors	Grammar / spelling correct	
Use of references	<ul style="list-style-type: none"> Larger number of references distracts Referral is insufficient, inconsistent, incomplete or incorrect** 	<ul style="list-style-type: none"> Referral of tables, figures etc. is correct Appropriate number of references per slide 	

Structure of presentation	<ul style="list-style-type: none"> Parts of presentation are missing Incorrect balance of presentation components Absence of logical order 	<ul style="list-style-type: none"> All required parts are present Logical order of the parts and slides Correct balance presentation components 	Smooth transitions between topics
Professional attitude	Professional attitude: Insufficient	Professional attitude: Satisfactory	Professional attitude: Excellent
Handling feedback	Many feedback sessions are required	Regular feedback sessions needed	The amount of feedback needed was minimal
	Minimal improvement based on feedback	Feedback led to reasonable improvements	Response to feedback yielded excellent improvements
Critical attitude	<ul style="list-style-type: none"> Critical attitude is absent Self-reflection is absent 	Shows self-reflection and has critical attitude towards (published) research	Critical attitude is based on intellectual depth and profundity
Integrity, Conscientiousness	Data manipulated or left out**	Accurate, reliable and trustworthy
